RELOCATABLE STORAGE

MAXIMIZE SELF-STORAGE USAGE...

Miller Building Systems Relocatables can maximize property usage for your self-storage business, increasing cash flow with seven year depreciation. Miller Relocatables are available in a variety of sizes and colors. The units do not require foundations, and can be placed on stone or asphalt for immediate use. Miller relocatable customers include U-Haul, Public Storage, and Devon Self Storage.

- Standing seam roof design
- Sizes up to 10'x50'
- Peak or shed roof design
- Galvalume Plus® partitions
- Delivered complete or knocked down
- Plywood or steel floors
- Dummy Doors
